

The GD&T Hierarchy Pyramid

©Tec-Ease, Inc., 2009

To assemble, carefully cut out the pyramid and fold as shown. The two tabs will lock into the slits indicated along the sides of the pyramid.

Enjoy referencing the pyramid and call us at Tec-Ease, Inc. for any Geometric Dimensioning and Tolerancing needs.

To download the .pdf file, go to the website and follow the link to the pyramid. This pyramid is in accordance with the ASME Y14.5-2009. We encourage you to print the pyramid to a larger scale. C size is very readable and easier to fold. You might want to print several pyramids and make a mobile.

Having trouble cutting and folding the Pyramid? Give it to a child to do.
